Triple Glazing approx £90.00

Delivery is approximately 3 – 4 weeks.

Carrier Next Day Delivery.

Panels £35.00 including crate and carrier

Panels and Door including crate and carrier £55.00

I use all high quality materials. Kokomo and Spectrum glass. Arnold and Heaps Lead, 1/4" round came (which is stronger, less likely to distort) and 1/2" flat for the surround.

Larger panels are also strengthened with internal copper strong line, this is placed within the lead came and not seen.

I use traditional Blowpipe solder 22" long pure solder which does not containing any pre manufactured flux.

All glass is individually hand cut making the finished product a totally authentic piece of art.

The panels are then cemented and polished with zebo.

Thank you for your enquiry, and hope the above information is of interest, and should you require any further information, please do not hesitate to contact myself.
